The college provides a serene and tranquil environment to the students, boosting their mental potential and preparing them in all aspects to face the global competition.

Our Management... Directors of WISE are eminent personalities in the fields of education, industrial, global trade etc., Their passion for service in education leads to establish WISE to cater to the aspiring learners from all sectors of the society. The management has a great vision to prepare young minds to become future leaders, equipped with conceptual, technical, design and human skills. In its pursuit of excellence, it is our pleasure to extend a warm welcome to you to WISE and we would be delighted to be involved in the value based education of your child.

Our Faculty... Without any shadow of doubt, it is the members of the teaching community who impart progress into the students. Highly qualified and well experienced faculty members with a blend of industrial and academic exposure are the greatest asset of our WISE. Our faculty imparts practical knowledge in the areas of engineering and the upcoming technologies.

Our Labs... are well established with sophisticated equipment and Students learn in a real-world environment, function as team members, discuss the planning of experiments, and share ideas about the analysis and interpretation of data.

Our Principal... Dr. M. Aravind Kumar obtained B. Tech Degree in ECE, M.Tech Degree in VLSI System Design from JNTUH and Ph.D from GITAM University, Visakhapatnam. He has 15 years of Teaching experience.

OUR AIM IS TO MOVE TOWARDS FUTURE TECHNOLOGY

We are currently in a period of transition towards future technology like Artificial Intelligence, Internet of Things (IoT), Machine Learning etc. Every student needs to upgrade towards future technology as per the requirements of industry. Our college extends its priority to encourage students to gain an understanding of latest technologies. Our first priority is for students to obtain a great future in the field of their interest.

EXTRA-CURRICULAR ACTIVITIES @ WISE

West Godavari Institute of Science and Engineering promotes and nurtures the talents of its students. We emphasize growth as a whole person comprising the **Body, Mind & Soul**. Sports and Cultural activities provide an excellent medium to come together. Fine arts and oratory skills like debates and public speaking are developed through participation in short cultural programs organized on special occasions.

LIBRARY

Our College library is in a spacious building. The library is open to students and staff members on all working days. The library has a rich collection of text books, reference books, national and international journals in all branches of Engineering, Science, Technology, Management and General Studies and the collection is ever increasing.

DIGITAL LIBRARY

A full-fledged Digital Library also functioning in our college. The Digital Library is a gateway to the world of e-resources and a one-stop for nascent information handling, transfer and a boon to the knowledge seeker.
